**NOTICE OF INTENT TO IMPLEMENT  
WATER QUALITY/QUANTITY BMPs FOR  
FLORIDA CONTAINER NURSERIES**

Section 403.067(7) (c) 2, Florida Statutes and Rule 5M-6.004 FAC

Phone (850) 617-1700; Fax (850) 617-1701

In accordance with s. 403.067(7)(c)2, F.S., and Rule 5M-6.004, F.A.C., the following information is hereby submitted as proof of my intent to implement applicable BMPs from *Water Quality/Quantity BMPs for Florida Container Nurseries, 2007*. Multiple parcels and associated tax identification numbers may be listed on one NOI. If parcels are owned in more than one county, then one NOI should be submitted for each county, with the list of associated county tax identification numbers on each NOI.

**Completion of Notice of Intent to Implement and BMP Checklist:**

- After you have completed the BMP Assessment beginning on p.1, use the results to complete the BMP Checklist that begins on the following page.
- Submit the completed *Notice of Intent to Implement* and Grower Checklist to the Department of Agriculture and Consumer Services at the address below.
- **Keep the completed BMP Assessment and a copy of the completed BMP Checklist and NOI in your files.**

Implementation of the BMPS, in accordance with FDACS rule, provides a presumption of compliance with state water quality standards. **You must complete the BMP Checklist and submit it along with the NOI(s), maintain copies of these on file, and have them available for inspection by the Department as a part of meeting rule requirements.** Submitting a NOI is also a requirement to be eligible for some sources of BMP cost-share funding.
